From The Staff

In 1970 at the age of seventeen I made a commitment to follow Jesus as my Lord and Savior; to be his disciple. I knew that I did not have the strength to follow Jesus with my own power. I needed the Holy Spirit as my Advocate (Counselor, Love-Renewer, Power from on High). I was prayed over to be baptized in the Holy Spirit. Jesus became more real. Scripture came alive. I sensed the presence and guidance of Jesus and the Spirit. I was given power to enable me to overcome my fears day by day through the love of God poured into my heart through the Holy Spirit (Rom 5: 5). I began to have more honesty and courage to face my weaknesses and sins, so that I could continue to be transformed into a new creation in Christ. I started a journey as a "charismatic disciple," a Spirit-led disciple of Jesus.

The Holy Spirit is the Spirit of Truth who leads us into all truth. He is the best teacher who gives us a powerful desire always to learn more about Jesus and his ways. I hope that you have not lost your hunger to learn and be discipled! For the Charismatic Renewal to have its full impact in the life of the Church (Renewing the grace of Pentecost in the life and mission of the Church; being a reminder in the Church of the role of the Holy Spirit in all aspects of Catholic life), we need to be united with our **bishops and priests** who are the continuation of the 12 apostles (Lk 6: 12-16, 9: 1-6). We need the leadership role they have from the Lord. We need to build good relationships with them and seek their guidance. We need our **deacons** who are the continuation of the 7 servants, filled with the Holy Spirit and wisdom (Acts 6: 1-7). We need **trained charismatic disciples** who continue the mission of the 72 disciples sent by Jesus (Lk 10: 1-11). We need **united, persevering intercessors** like the 120 gathered in the Upper Room before Pentecost (Acts 1: 13-15).

I am excited to be working with Bishop Tom, Ros, the Service Committees, and all of you who have experienced renewal in the Spirit. Please stay in contact with us at the Center. I have been seeking to contact all the Prayer Group leaders. If I have not talked with you yet, please give me a call at the Center. We want to support the prayer groups and help you to continue to grow. If you have been blessed by the Charismatic Renewal, ask the Lord how he wants you to support the Center with your time, talents, and financial support. Attend the monthly Renewal Days and bring a friend.

We started the course on "Charismatic Discipleship" on September 29. It will continue on October 6 and 27 (9 am. to 3 pm. at the Center). This course is important even if you have been involved with the Charismatic Renewal for many years. It is important to show our pastors that we have received training from someone who is a certified teacher and college instructor. You will receive resources to help you grow personally and to know how to develop and work with groups. If you missed the first class, you still are invited to attend on October 6 and 27. Pray for Holy Spirit renewal! Continue to be discipled! Seek ways to strengthen your prayer groups. Be united with our bishops, priests and deacons. We can help. Stay in touch.

The Power of God

God is so good! A couple of weeks ago, Anita and I were in adoration at St Matthews in San Antonio. I had my head bowed in prayer. I happened to look up at the Blessed Sacrament and noticed that there was a shadow being cast between the two altars; the one where the Blessed Sacrament was sitting and the other where the tabernacle was sitting.

When I saw the shadow I was reminded of the scripture in Acts 5:15 which says, "They even carried out the sick into the streets, and laid them on beds and pallets, that as Peter came by at least his shadow might fall on some of them."

Just then, the woman who was assigned to remove our Lord from the monstrance before Mass came and stood before the tabernacle. As she stood there, the shadow of the monstrance fell upon her lower back. As she genuflected, the shadow ran up the full length of her spine to the top of her head. As she stood back up, it once again ran the full length of her spine to the top of her lower back.

The thought came to me, "Boy if that lady had a bad back she sure doesn't have one anymore." As it turned out, she came and sat right in front of me for Mass. I tapped her on the shoulder and told her that I wanted to tell her something after Mass.

When Mass was over I told her what I had seen and she got this stunned look on her face and said, "Oh my word, I have an extremely bad back and I noticed that as I walked up and down the stairs to serve communion I didn't get that sharp stabbing pain in my back that I always get. And even now I have no pain in my back at all!

Well, it has now been several weeks since that happened. I saw her this morning at Mass and asked how she was feeling and she said, "Still NO pain!"

Committee Memo

Dear friends in Christ, may God's love and grace abound in your life, family and prayer communities. As we fulfill our service to our Lord, in the power of the Holy Spirit, we are called to pray and love one another as we faithfully build up the body of Christ.

At the Charismatic Center, we are about the "Father's" business planning for our community. The service committee met on Sept. 11, 2007 to discuss months of charismatic events. We discussed plans for the Catholic Charismatic Conference to be held on March 7th and 8th, 2008 at St. Mary Magdalen Catholic Church. Please mark your calendar.

We invite all of you to attend the "Charismatic Discipleship" course presented by Fr. Bob Hogan on Sept. 29, Oct. 6th and 27th. What a blessing! God is calling us to grow in the Spirit as we follow our Lord, Jesus Christ and minister to His people. Please attend and know that God has a plan for each of you in the building up of our community.

Our annual fundraiser, "Concierto Con Jesus, will be held on Oct 26th at St. Henry's Hall. You are invited to attend an evening of fun, dining and Christian music. See you there!

We thank you for your participation and support of our Charismatic events. We are truly blessed by your generous contribution and ministries that keep us working in anticipation of the many blessings God has for us. Praise God, now and forever.

Kids Say The Godliest Things

I was talking to my 5 1/2 year old son, Michael James, about heaven. He's familiar with death and heaven, because we always share about my 4 1/2 year old nephew, Daymen, who passed away 10 years ago. We were talking about how Jesus died for us so that we can go to heaven, and that although we die here on earth, we will live in heaven forever. Michael James sat quietly for a second and then said, "I don't want to die. I want to go up like Elijah." I smiled with a peace and content that he is living the faith as we all should.

Who is Jesus?

"God. He lives in heaven. He likes animals. He likes people. He didn't like bad soldiers. He didn't know he could be a body. His body could turn into a Jesus body. His body was gone. They couldn't find it. It was in heaven." - Abram, 3 years old
