Here's What Readers are saying:

"This is one of the best books I have read on the Holy Spirit. This is not about religion, but rather about the simple love of God for us." - Sally McGuire, NY

"I found the book to be an easy read....the Scriptures come alive and flow through every page." - Martin Farrell, NY

There's So Much More is about discovering the wealth of God's love through the power of the Holy Spirit. You are invited to journey with Mary Ellen as she searches for the ability to love God, to love herself, and to love others. Matthew 3:11 is the pivotal scripture that help her make sense of the meaning and purpose of her life. She discovered that God wants to give us much more of himself. She also learned that the Holy Spirit is the Divine Love, and there is no real power to love and minister to others without appropriating his tremendous presence in our lives.

"There's So Much More will be helpful to those who lead prayer groups, bible studies or teach religious education. This book invites and encourages us to a deeper prayer life and a more personal relationship with Jesus Christ. God is our source of unconditional and everlasting love in our faith journey. I now invite and encourage you to prayerfully read Mary Ellen's new book, *There's So Much More*. It will help you tell your story. There is so much more of God's love for us." -

Most Reverend Thomas J. Flanagan, DD
Auxiliary Bishop,
Archdiocese of San Antonio

"If you already yearn for more of God, then this book is like the scroll that the prophet ate. It will taste like honey and will open new horizons for you and tell you how to get there. Mary Ellen has woven a tapestry of God's word in Scripture with her personal experience in a way that speaks to the heart. As you read, you are likely to say, 'Yes, that - or something like that - happened to me.' And reading a little further you may say, 'Wow, I'd really like to have what she is talking about.'"
