

PRINCE OF PEACE CHARISMATIC PRAYER GROUP

An Invitation to a “Life in the Spirit Seminar”

Lord teach us to pray Luke 11:1

Spirit and life individuals looking for a deeper relationship with God can strengthen their relationship in a variety of ways. One of those ways is by attending a **Life in the Spirit Seminar**.

What is a Life in the Spirit Seminar?

- * A **Spiritual formation experience** that introduces participants to the presence and power of the Holy Spirit
- * A chance to **revitalize and release** the gifts, fruits and charisms of the Holy Spirit in our journey of faith.
- * An evangelistic tool to **draw others closer to Christ** and His infinite love.

Life in the Spirit Seminars are a valuable tool to help people establish and **strengthen the foundation of a truly Christian life**.

This is accomplished by helping participants:

- * Establish and deepen their **personal relationship** with Jesus
- * Yield to the **action** of the Holy Spirit working in their lives so they can **experience His presence more fully** as He works in and through them
- * **Develop a sense of fellowship** with a Christian community with which they can receive support and share their lives

What is the Format of the Seminar?

A core team conducts seven sessions (once a week for seven weeks) that consist of:

GOD's Love Seminar 1:

Helps participants understand that God loves them more than anything. Psalm 139 tells us that God created us lovingly in our mother's womb. John 3:16 tells us that God loved us so much that He sent His only begotten son...

Salvation Seminar 2:

Explains the basics and momentousness of the Christian message. Participants will be given the opportunity to deepen their personal relationship with the Lord Jesus.

The New Life Seminar 3:

Let's people know that a new life is available through a fuller perception of the Holy Spirit. Who is the Holy Spirit, and how can He enrich our lives? This seminar will teach you how.

Receiving God's Gifts Seminar 4:

Prepares people to ask in faith for the full life of the Spirit. Participants will be shown how to empty their "vessels" so that the Holy Spirit can fill them up with gifts from heaven.

Healing Touch of God Seminar 5:

Shows participants the different ways that God can come into our lives and provides healing; forgiveness, and inner-healing. The Sacrament of Reconciliation will be provided by active clergy in the charismatic renewal.

Baptism in the Holy Spirit Seminar 6:

Helps people make an authentic commitment to Jesus; allows them to awaken the various gifts of God bestowed at Baptism and Confirmation.

Growth Seminar 7:

Life in the SPIRIT is not just a one-time experience but the beginning of much more to come. This seminar shows how to grow in the life of the Spirit. Participants will learn the "tricks of the trade" and how to actively pursue a new life in Christ Jesus.

Transformation in Christ Seminar 8:

To help people avoid discouragement while "Slugging it out" with everyday problems. Like a butterfly emerges from a cocoon, so shall we transform into beautiful children of a living God.
